MEMORANDUM FOR: Acting Chief, Executive & Planning Division

SUBJECT : IOS - Administrative (Statistical Reporting)

1. Reference is made to your memorandum of 13 May 1966, requesting a review of our present system of statistical reporting in light of the need for a new monthly progress report to the DDS.

2. In accordance with the referenced memorandum, a critical analysis was made of each of the three reports now being furnished for consolidation in the OS Monthly Report. As a result of this analysis the following changes and additions are proposed:

We also plan to exclude from this report the count of covert cases over 90 days old, which we consider as meaningless to anyone outside of the Office of Security.

GROUP 1
Excluded from automatic downgrading and declassification

b. Status of Field Actions on Investigative Cases.

We propose to continue furnishing this report (Tab E) in its present form, but to exclude the words "and Semi-Covert" from the types of cases requiring field investigations. This report in the future will identify cases only as "Overt," "Covert" and "Total."

In support of these statistics, it is also proposed to include two graphs, one showing "Overt Field Cases Received and Completed" (Tab E-1) and the other showing "Covert Field Cases Received and Completed" (Tab E-2) These will be cumulative graphs showing receipts and completions to date for the entire fiscal year and comparing them with the receipts and completions of the previous fiscal year.

3. Of the foregoing graphs and charts, we would recommend that the most meaningful for inclusion in the report to the DDS would be:
